

The Constitution.

Never in our history has a reliable, fine-class newspaper been so universally needed by us. We have the **CONSTITUTION** now here as the only outlet, and so fully prepared to furnish such a paper as at present exists.

With its service unequalled by any Southern paper, with trained Correspondents in every locality in which its readers are interested.

With a capable Editorial Staff, a corps of efficient writers, and a large circulation, THE CONSTITUTION can promise to it readers that it will be better than ever before, and will continue its position as the leading Southern paper.

With the **CONSTITUTION** will carry general news of the day, and express its opinion on political topics. It will also give special attention to the devotions of Southern churches in all legitimate channels or directions.

Every Georgian and every man interested in our State and its welfare will find THE CONSTITUTION in one of its editions.
